POLICY

There are many occasions during the school year where Wulerrp Secondary College staff photograph, film or record students participating in school activities or events, for example: classroom activities, sports events, concerts, excursions, camps etc.

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey on camps, excursions, at sports events and to communicate with our parents and school community in school newsletters and on the school's social media.

There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy. In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Wulerrp Secondary College has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act*

Wulerrp Secondary College

2014 (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

Consent

The Photographing, Filming and Recording Students Consent Form is provided by Wulerrp Secondary College at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, you must notify us by emailing: wulerrp.sc@education.vic.gov.au

If consent is withdrawn verbally, the school will make a written record of this. However:

- if the images have already been published and are in the public domain, it may not be possible to remove them
- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

Image use within the physical school environment

Wulerrp Secondary College may photograph, film or record students to use within the physical school environment, including:

- for display in school classrooms (e.g. in displays of student work, on noticeboards to celebrate achievements)
- for the purposes of display in the school foyer, or for school assemblies, or at a school event, such as Year 12 Graduation Dinner or Open Night, to share student activities, experiences at school and school events.

A Photographing, Filming and Recording Students Consent Form will be given to parents/carers on enrolment for the standard uses described above. Consent, if given, applies until it is withdrawn or changed. If a parent/carer would like to withdraw or change their consent at any point in time, they must notify the school.

Image use within the school community

Wulerrp Secondary College may photograph, film or record students to use within the school community, including:

- in the school's online communication, learning and teaching tools (e.g., emails, classroom blogs or apps that can only be accessed by students, parents/carers and school staff with passwords.)

Consent, if given, applies until it is withdrawn or changed. If a parent/carer would like to withdraw or change their consent at any point in time, they must notify the school.

We will notify you individually if we are considering using any images of your child for specific advertising or promotional purposes.

Media

The media, or the Department of Education's media team, may seek to photograph, film or record students for a news story or school event. This may include broadcast media, online or social media or print media, including newspapers and magazine publications.

When Wulerrp Secondary College receives such requests, our school will:

- provide parents/carers with information about the organisation involved and when and for what purposes the photography, filming or recording will occur
- seek prior, express parent/carer consent in writing.

Students will only be photographed, filmed or recorded by the media at school if express consent is provided for that specific media event. Neither the school nor the department own or control any photographs, video or recordings of students taken by the media.

On occasion, the school may agree to research projects being conducted at the school. If this occurs, parent/carer consent will be sought for student participation, including any photography or recording of students.

Wulerrp Secondary College

Closed Circuit Television (CCTV)

Parent or carer consent is not required for a school to install CCTV. However, Wulerrp Secondary College has installed CCTV and will inform the school community of the installation CCTV through a newsletter article; a statement on the school website; posted material within the school grounds. Our school's CCTV system is managed in accordance with the department's [CCTV Installation and Management Policy](#). Further information about how CCTV is managed and operated is available in our CCTV Privacy Notice.

Other external collection, use or disclosure

If there is a situation which will involve the collection, use or disclosure of images of students by or to third parties which is not otherwise covered by this policy, Wulerrp Secondary College will:

- provide parents/carers with information about the event or activity, the organisation involved and when the photography, filming or recording will occur
- seek prior, express parent/carers consent in writing.

Official school photographs

Each year Wulerrp Secondary College will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards and student identity verification letters
- stored on CASES21 for educational and administrative purposes.

Wulerrp Secondary College will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the photographs.

Parents/carers who choose to opt out of having their child participate in official school photographs must contact the Assistant Principal or email: wulerrp.sc@education.vic.gov.au before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken. However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.

On occasion, it may be necessary for school staff to photograph, film or record students and/or use images to:
