

17 December 2025

Dear Resident

Thompsons Road and Berwick-Cranbourne Road Intersection Upgrade: Upcoming intersection closure

We're upgrading the Thompsons Road and Berwick-Cranbourne Road intersection to ease congestion and make your journey safer and more reliable.

What's happening

From **7pm, Monday 12 January to 5am Friday 13 February 2026**, we'll close the intersection while we:

- Remove the existing roundabout
- Install underground traffic signal infrastructure
- Relocate water and services and upgrade drainage
- Asphalt the southbound lanes on both sides of Thompsons Road
- Start work on the shared walking and cycling paths on the south-east and south-west corners of the intersection.

When the intersection reopens, there'll be a smaller, temporary roundabout in place. This is to help keep traffic flowing while we continue to work behind barriers to build the upgrade.

What to expect

Property access

While the intersection is closed, you can access your property via Thompsons Road, Wheelers Park Drive and Glasscocks Road, or Berwick-Cranbourne Road, Honour Avenue, Laker and Fenway boulevards. See **map 1** on the next page for more detail and please allow an additional **10 minutes** travel time.

If you have visitors travelling from outside the area, please advise them to follow the public detour and to allow an additional **30 minutes** of travel time. See **map 2** on the next page for more detail.

We're working closely with emergency services to make sure they know the fastest way to access your property if there's an emergency.

Construction impacts

To finish the works as fast as possible, we'll work both day and night, 7 days a week during the closure. Residents whose homes are near the intersection may experience moderate noise and vibration from construction vehicles, and light spill from our temporary light towers.

We'll monitor noise while we work to ensure we don't exceed acceptable levels and will complete the noisiest works during the day to minimise disruption. At night, we'll shine our lights away from properties as much as possible while making sure there's enough light to keep our teams safe.

Temporary traffic lights

To accommodate the detour at Lindsell Boulevard, temporary traffic lights will be installed at Broad Oak Drive and at Bushranger Boulevard to maintain traffic flow for residents accessing Lindsell Boulevard from the north and south during the closure.

Pedestrian detours

Pedestrian detours will remain via Honour Avenue, Fenway Boulevard and Matterhorn Drive until we've completed the upgrade, which will include safer signalised pedestrian crossings.

Bus stop closures

There are long-term closures of some bus stops near the intersection. Further information will be displayed at impacted bus stops ahead of time. Be sure to check yours or visit ptv.vic.gov.au to help plan your journey.

Talk to us

If you have questions about these works and wish to speak to a member of our project team, email contact@bigbuild.vic.gov.au or phone **1800 105 105**.

To subscribe for project updates and disruption alerts visit bigbuild.vic.gov.au/subscribe or text **TBCR** to **0499 073 073**. For more information about the project, visit bigbuild.vic.gov.au

Kind regards,

The Thompsons Road and Berwick-Cranbourne Road Intersection Upgrade Project Team
