

2 March 2025

Dear Business Owner / Property Owner

Thompsons Road and Berwick-Cranbourne Road Intersection Upgrade: single lane closures as works progress

We're upgrading the Thompsons Road and Berwick-Cranbourne Road intersection to ease congestion and make your journey safer and more reliable.

What's happening

From **March to early July**, we'll continue working on the remaining road construction on Thompsons Road and Berwick-Cranbourne Road, upgrading drainage, establishing new slip lanes and shared user paths, ahead of installing new traffic islands, traffic light infrastructure and new lighting to make it easier and safer for all road users.

What to expect

These works will occur on **weekdays** from **7am to 5pm** and on some **Saturdays between 7am and 1pm**.

While the majority of this work will take place off the road behind barriers, we may need to reduce speeds and close lanes at times to keep drivers, pedestrians, and our crews safe.

Please contact us if you would like this information in an accessible format. If you need assistance due to a hearing or speech impairment, visit relayservice.gov.au

Because your property is located close to the intersection, you may notice a moderate increase in noise, dust and vibration from our construction machinery. We'll monitor this to ensure we don't exceed acceptable noise, dust or vibration levels. Access for emergency services will be maintained at all times.

Service interruptions

This work may require planned service disruptions to some nearby properties. Your service provider will notify you ahead of time if you're affected.

Pedestrian detours

Pedestrian detours will remain via Honour Avenue, Fenway Boulevard and Matterhorn Drive until we've completed the upgrade, which will include safer signalised pedestrian crossings.

Bus stop closures

There are long-term closures of some bus stops at the intersection. Further information will be displayed at impacted bus stops ahead of time. Be sure to check yours or visit ptv.vic.gov.au to help plan your journey.

Talk to us

If you have questions or concerns about these or any of our works and would like to speak to a member of the project team, email contact@bigbuild.vic.gov.au or phone **1800 105 105**.

Stay informed

To receive disruption alerts straight to your mobile device, text **TBCR** to **0499 073 073**.
